## Why Support UDM's Faculty & Staff Campaign?

You are already an integral part of a university committed to enriching the daily lives of its students. Did you know you could make an even greater impact? Your annual giving through the University of Detroit Mercy's Faculty & Staff Campaign, regardless of the size of your gift, increases the University's ability to add enhancements to our students' educational experience.

Faculty and staff annual giving also conveys the message to potential donors that UDM faculty and staff not only offer their professional expertise but also financially invest in the University, a clear demonstration that UDM's community is committed to the success of its students.

Chances are that as a member of the UDM community you are aware of areas in need of financial support that may not be obvious to others. When you support the Faculty & Staff Campaign, you have the option of giving to a college, school or department where you work, or designating any University program that matches your interest. You can even support multiple programs, it is up to you.

There are over 500 funds to choose from, which provides you with over 500 opportunities to support a program, college or school that will keep Great Things happening at UDM.
